## Notes and Reminders

- Please, please remember to take blankets and clothing home to wash on Friday. During the spring season, lice are very common. Washing clothing and bedding on a regular basis will reduce the chances of infestation.
- Sharing/Show and Tell Day is every Tuesday.
- Please **wash or sanitize upon entering** the building.
- Please remember **not to bring any nut products** to school.
- If you would like your child to wear sandals, please be sure they have straps on the back. Flip-flops are against policy because they hinder safe travel, especially in emergency situations.
